The TABA Conference is a great opportunity to meet and network with other Aggie lawyers on A&M's campus. The CLE program this year covers a number of interesting topics. On Saturday night, we will be honoring Bob J. Surovik '58 as the 2011 Aggie Lawyer of the Year and our 2011 Scholarship Recipients.

The Texas Aggie Bar Association is dedicated to preserving Aggie values and carrying them forward into the future. Figures kept by the Association of Former Students indicate that more than 3,300 Aggies have earned law degrees. If we come together through the TABA, we can ensure that Texas A&M is strongly represented in the legal community for years to come. Through the TABA, we can foster and maintain cooperation among Aggie lawyers and provide a vehicle through which all Aggies may call upon Aggie lawyers for legal assistance.

The TABA can be only as strong as its active membership. Although we hope you can attend the TABA Conference in March, becoming a member and updating your profile information on our website at [www.aggielaw.org](http://www.aggielaw.org) is vital for the long term success of the TABA. This web-based directory serves as a great source for finding a good Ag to refer cases your clients have that are outside your area of expertise. The website also has a place to post Job openings for those looking to fill positions with qualified Aggies.

The modest \$35 annual dues are used to fund scholarships, the annual TABA Conference, and regional receptions (Happy Hours) where Aggie lawyers can network and socialize. In order to enhance its scholarship program and assure the long term success of the TABA, the TABA needs the commitment of Aggie lawyers everywhere. Please join today, and don't forget that you can make tax deductible donations to support the efforts of the TABA as well!
